Lincoln Self Reliance Review

Summer-Fall 2017

In review of our activities during the Summer and Fall seasons in Kemmerer, well, we've had a lot of fun and been quite busy! As part of our routine we enjoy swimming to exercise our bodies and science days to exercise our minds! Over the past several months we have travelled to the Salt Lake City Hogle Zoo, we visited the Aquarium in Draper, UT and also enjoyed going to the Lincoln County Fair in Afton. This summer our greenhouse produced a lot of squash, lettuce and zucchini, who knew we had such "green thumbs"! With the weather chilling down we try to enjoy every bit of sun we can by going to the Park, walks on the trails, and picnics every chance we get.

Mission Statement

Summer-Fall 2017

From our Evanston group the word they used to describe this past Summer and Fall was FUN! Some of the activities included many picnics in the mountains and local parks and several BBQs in the back yard of Day services. We have had art class, nutrition class, and also went to the local museum and bowling; so lots of learning along with fun. Some of the trips we have taken include; the zoo in Salt Lake City, Bear Lake for those delicious milk shakes, Lagoon Amusement park, Fossil Butte, Oregon Trail museum, and camping at Christmas Meadows. The biggest trip of all, of course, was Mega Conference! We also enjoy volunteering at the County Fair, hungry backpack program and continue with meals on wheels. We are looking forward to more adventures to come!!
